## INDEPENDENT AUDITORS' REPORT

To the Board of Directors,  
**Inter Pares:**

We have audited the accompanying financial statements of Inter Pares, which comprise the statement of financial position as at December 31, 2016, and the statements of changes in fund balances, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Inter Pares as at December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016

Inter Pares works overseas and in Canada in support of self-help development groups, and in the promotion of understanding about the causes, effects and solutions to under-development and poverty. Inter Pares is incorporated without share capital under the laws of Canada. The Corporation is a registered charity under Section 149(1)(c) of the Income Tax Act and as a result is not subject to income taxes.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

##### (a) Revenue recognition

Inter Pares follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Funds received from Global Affairs Canada for overseas programs are recorded as program advances when sent overseas, and are subsequently recorded as expense when amounts are spent by overseas partners. Donations are recorded as revenue when received.

##### (b) Financial instruments

Financial instruments are initially recognized at fair value and are subsequently measured at cost, amortized cost or cost less appropriate allowances for impairment.

##### (c) Capital assets

Capital assets are recorded at cost. Amortization is provided on a straight line basis over 5 years for office equipment. Computer equipment is amortized 50% in the first year and 25% in the remaining 2 years. The building is amortized on a straight line basis over 40 years.

##### (d) Use of estimates

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

#### 2. FINANCIAL INSTRUMENTS

The organization's financial instruments consist of cash, accounts receivable, investments, accounts payable and accrued liabilities and years of service benefits payable. Unless otherwise noted, it is management's opinion that the organization is not exposed to significant interest, currency, credit, liquidity or market risks arising from its financial instruments and the carrying amount of the financial instruments approximate their fair value.
